

## التصدي

طبع في مطابع الأهرام في القاهرة

هاتشغل فيه شريط يا حبيب  
يا غاليين واحسنى يا حلويين  
-والثاني... بتاع حفل الختام-  
-شريط سفر مع السلامة... فرج  
بسلامة !!  
فؤاد فؤاد

the  $\beta$  phase of the polymer. The  $\beta$  phase is the most important phase in the polymer, as it is the phase that is most responsible for the mechanical properties of the polymer. The  $\beta$  phase is the phase that is most responsible for the mechanical properties of the polymer. The  $\beta$  phase is the phase that is most responsible for the mechanical properties of the polymer.
